The Chair began the meeting with a minute's silence in memory of Tom Ligertwood, whose funeral had taken place earlier in the day.

The first priority, he said, is to mow the grass, arrange a tree inspection and install picnic tables and benches which could attract families to use the Playing Field: parents could sit down while their children played. He wanted to see the grass cut before the summer holidays.

John believed low maintenance equipment could be installed such as a set of goalposts with a basketball hoop attached and a mound.
