Significant variations between Accounting Statements for 2024-25 and 2025-26

Box 6: All other payments

2024-25: £ 3,713

2025-26: £12,112

Change: 226% increase

The overall increase of £8,398 was the result of one main factor: the bringing back into use of the Playing Field, which had not had any play equipment on it for many years.

In 2024-25 the Council paid £525 for a tree survey to assist the Nuneham Courtenay Sports and Playing Field Association with making it safe to bring the Playing Field back into use.

In 2025-26 the Council made payments totalling £8,535 in relation to the Playing Field, including recoverable VAT. These payments related to the purchase of equipment and the regular cutting of the grass.

The result was an increase in spending in relation to the Playing Field of £8,010.
